Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the James Street Pump Station Upgrades in fiscal year 2024. The entity to receive funding for this project is City of Gardner, located at 96 Pleasant Street, Gardner, MA, 01440. The funding would be used to renovate the James Street Pump Station. The project is an appropriate use of taxpayer funds because it will ensure safe and adequate drinking water supply for the community by reducing the frequency and duration of service interruptions and water quality issues caused by pump failures or malfunctions.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Lori Trahan". The signature is fluid and cursive.
